Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant brings to the attention of the Examiner the foreign patent document listed on the attached PTO/SB/08 form. To the knowledge of the undersigned, this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application.

Applicant attaches a copy of the listed Japanese patent document. Applicant respectfully requests that the Examiner consider the listed document and indicate its consideration by making appropriate notations on the attached form.

The document listed in this Information Disclosure Statement was first cited in the attached Office Action from the Japanese Patent Office (JPO) in a corresponding Japanese Patent Application, and this Information Disclosure Statement is being filed

within three months of its mailing date. A copy of the JPO communication is also attached.

In lieu of a statement of relevance or translation of the non-English document, an English language version of the JPO communication is attached. Applicant does not necessarily endorse the conclusion set forth in the JPO communication.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and Applicant determines that the cited document does not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of the document.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
